

WORKSHOP

Functional Behavior Assessments/ Behavior Intervention Plans

Presented by:

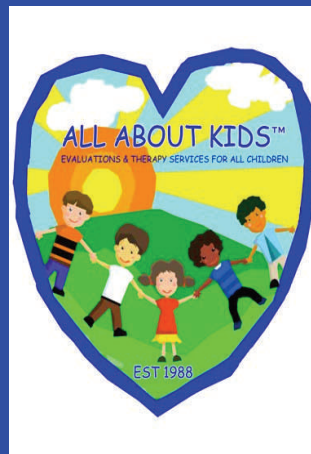

Dr. Gina Feliciano

~~~~~

This 2 hour workshop is for more experienced teachers looking to increase their abilities in working with children with interfering behaviors. Functional Behavior Analysis (FBA) and Behavior Intervention Plans (BIP) are an integral part of the educational plans for such students. Before more restrictive educational measures are put into place (i.e. increase of services, change of location, etc), schools and teachers must demonstrate the functionality of maladaptive behavior (FBA), and devise a plan of action to improve the behavior (BIP).

This workshop explains how to conduct an FBA and how to construct a meaningful, effective BIP based on the data collected by the FBA. As a Behavior Analytic teacher, you will be responsible for the creation of these documents; this training is an essential teaching tool to accomplish those goals.

- **Date:** **January 6, 2010**
- **Time:** **4:30 PM-6:30 PM**
- **Location:**  
**Westchester Office**  
**2500 Westchester Avenue**  
**Suite 113**  
**Purchase, NY 10577**
- **NO FEE FOR ATTENDING**
