

All About Kids

255 Executive Drive, Suite LL 108, Plainview NY 11803 ♦ www.ALLABOUTKIDSNY.com

Starting December 3rd, All About Kids Proudly Presents:

Sensory Motor Social Group

Thursday 7:00-7:45pm & Saturday 12:00- 12:45pm

Only \$425 for this AMAZING 6 week group!

What is Sensory Integration? Sensory integration is the ability to process information from the environment & respond appropriately. It's the brain's ability to receive information from all senses including visual, tactile, proprioceptive, vestibular, olfactory & gustatory systems.

Who should attend this group? Children 6-10 years of age who have difficulty regulating the systems listed above, that tend to engage in other sensory seeking or sensory depriving behaviors.

What do they do in the Sensory Motor Social Group? Through the use of our newly redesigned sensory gym led by our sensory trained specialist, this fun and engaging group will focus on sensory flooding techniques assisting with isolating both strong & weak sensory systems. The group will assist in providing children with socially appropriate regulatory techniques & will decrease inappropriate behaviors.
